**Early 2010 Bible Study**

“Here and Now, There and Then  
 By Beth Moore”

*Here and Now...There and Then by Beth Moore* is a lecture series on the book of Revelation. Beth presents many points of view, allowing women to decide for themselves when the interpretation varies among scholars. She teaches that God is as specific about what He does reveal as He is about what He does not reveal. There are 11 video sessions with light homework.

Be prepared to dig into God's Word and gain prayer support from the women who will be walking beside you in this Bible study. We hope you have a great time of Bible study and fellowship in the weeks to come!
